Information Technology – Professional Consultant Services

The Modoc County Transportation Commission (MCTC) is requesting quotes for Information Technology Services to support its computer equipment and network infrastructure located at 108 S. Main Street in Alturas, California. IT support services provided are dictated by need and include data backup, upgrades, regularly scheduled maintenance, configurations, troubleshooting, user management, applications support, initial assessment and recommendations, virus and Spyware removal, coordination with existing vendors and labor time for repairs and services. Scope of support services are generally provided in person, by remote access, cell phone, and email on weekdays during regular business hours (7 a.m. to 5 p.m.). The MCTC desires to enter into a two year contract with an optional one year extension. This is a month to month professional services contract.

Quotes must be received by 1:00 p.m Thursday, September 21, 2017, at which time they will be opened. Mail proposals to “Modoc IT – RFQ” Modoc County Transportation Commission, 108 S. Main Street, Alturas, CA 96101.

For more information, or questions please email Debbie Pedersen at dpedersen@modoctransportation.com. Questions regarding these services are due September 14, 2017, at 1:00 p.m.
